America Building on the Beach!!! Excellent location with huge side window so lots of natural light in condo!It's all about the location, with upgrades this condo would be an above average investment with an ROI to make a major dent in any overhead... And the living surroundings of beach, pool, tennis, gym and manicured grounds aren't that hard to view each and every day... it's like your on vacation 24/7 when you live in the complex year round.....
