Called Koral Seas, which has a 180 degree ocean view from every room! Watch pelicans and parrots soar, whales breach and sailboats glide while having a drink and listening to the surf below. Ample room with 2 bedroom, 2 bathrooms+ 2 large private decks to relax and listen to the tropical sounds of the birds. Date hasn't been set yet for 56 Upper but Mahogany Run Condo Association will start work on Upper Units under the "28 roofing project". This means the contents of 56-Upper will have to be removed and placed in the storage container that MR will provide. This will be in preparation for the roof retrofit project they are doing on 28 roofs, lifting the roof, pouring new bond beams in concrete, pouring new concrete structural enhancements throughout, replacing every single door a Watch the sunrises and sunsets and the frequently occurring rainbows from the decks and at night the lights from the BVI and the moonbeams light up the sky. Happy Vacation Villa - VERY successful VRBO renta...
